There Is A King In You

Donald Lawrence

You have come from royalty
An aristocratic dynasty
The goal of the enemy
Is that you don't know who you are
There is power when you speak
Be mindful of words you release

I know that life has challenged you
But the king in me
Speaks to the king in you
You were born
To rule
There is a king in you
(Repeat x2)

(Lead)
What has happened? The head has become the tail. The lender has become the borrower. What has happened?

(Chorus)
Is there no king in you?
Then why do you speak
Speak with such defeat
Is there no king in you?
Then why do you speak?
Speak with such low esteem.

I know that life has challenged you
But the king in me
Speaks to the king in you
You were born
To rule
There is a king in you

(Lead)
I know that some of you've been molested. I know that some of you've been struggling. I know that some of you've been talked about. I know some of you even got low self-esteem. But I came to tell you that there is

(Choir)
There is a king in you

(Lead)
I know some of you been struggling with addictions. I know some of you are struggling with financial issues. I know that some of you don't feel like you're smart. You don't feel like you look good. You don't feel like ya got what it takes. But I came to tell you that there is

(Choir)
There is a king in you

(Lead)
I know you don't feel well. I know you don't think you look the part. I know you don't think that you got the skills. But I came to tell you that there is a king in ya

(Choir)
There is a king in you (repeating)

(Lead while choir is singing)
If there is a king in you? I want you to stand up and let me know you're out there. Where are the kings tonight? Where are the kings? Forget about where ya been through. You are a king. Let the kings rejoice, let the kings rejoice. You are succesful. The king is living in ya. The word is in ya. Praise him because

(Choir)
There is a king in you (repeating)

(Lead)
You will make it. You are forever a lender. Never a borrower. You are forever above. Never beneath. You are forever the head. Never the tail. A king is in ya. Let the past go. Look towards the future! The best is still yet to come for ya! There is a king in ya!

(Choir)
There is a king in you (repeating)

(Lead)
Let the rulers rule! RULE! I know ya been through. But there is a king. Embrace your king.

(Choir)
There is a king in you
