

# Hey Girl (I Like Your Style)

## The Temptations

Hey girl, tell me what's your name? (what's your name?)  
I, I like your style (I like your style)  
Can I stick around and wrap to you a little while? And hey, girl, don't turn away (don't turn away)  
Please listen to what I have to say  
Don't tell me something everyday  
Please won't you stay, oh All my life I've prayed for  
Someone like you, oh yeah Oh, the look, the look in your eyes  
Tell me you feel the same way I do, oh yeah
