

All I Need (Performance Track In Key of Ab Major)

Bethany Dillon

When the day is done
And there's no one else around
While I'm lying here in bed
You're in my heart, You're in my head You're all I need, You're all I need
There are a million voices calling out my name
But You're the one I want to hear
So make the others disappear You are all I need when I'm surrounded
You are all I need if I'm by myself
You fill me when I'm empty
There is nothing else, You're all I need When the morning comes
And Your mercy is renewed
There's a fire in my bones
I'm not afraid to go alone
You're all I need , You're all I need The sun on my face
I hear You whisper loud
You're still the God that opens seas
Every flower, even me
You're all I need, You're all I need I'm drawn to everything that You do
Nothing compares with You
