

Strong Enough to Break

Hanson

I don't feel myself today
Just a figure in a big monopoly game
Struggle is the price you pay
You get just enough just to give it away I'm sinking but I'm floating away
Throw me a line so I can anchor my pain
The fabric is about to fray
The fabric is about to fray Maybe you could take a look at yourself lately
Maybe you could take a look at yourself lately
Maybe you could take a look at yourself lately Things keep coming and I keep wondering
I start feeling the walls close in
Things keep coming and I keep stumbling
I start feeling I'm strong enough to break
I start feeling I'm strong enough to break, oh Been running through my mind today
Scenarios to add to your hypocrisy
No one ever takes the blame
But everyone is searching for a cure to the pain Nothing ever seems to change
Oh, nothing ever seems to change
We just play like broken records
In a deaf man's charade Maybe you could take a look at yourself lately
Maybe you could take a look at yourself lately
Maybe you could take a look at yourself lately Things keep coming and I keep wondering
I start feeling the walls close in
Things keep coming and I keep stumbling
I start feeling I'm strong enough to break
Oh, I start feeling I'm strong enough to break
I start feeling I'm strong enough to break Carry on just a pawn and the same old song
I'm still holding on The fabric is about to fray Maybe you could take a look at yourself lately
Maybe you could take a look at yourself lately Things keep coming and I keep wondering
I start feeling the walls close in
Things keep coming and I keep stumbling
I start feeling I'm strong enough
Things keep coming and I keep wondering
I start feeling the walls close in Things keep coming and I keep stumbling
I start feeling I'm strong enough to break
I start feeling I'm strong enough to break
Oh, I start feeling I'm strong enough to break
Things keep coming and I keep wondering
I start feeling the walls close in Things keep coming and I keep stumbling
