

# David Comes to Life (Daytrotter Version)

## Fucked Up

David was a boy, just a leech,  
A simple means of birth, oh so sick,  
Another wasted life, like so many before,  
But David wanted better, so much more David's got a feeling, earthly bounds are retreating,  
He's gonna get to heaven tonight  
David's got a feeling, earthly bounds are retreating  
All he has to do is step into the light The promise of heaven out of reach.  
With expectations he couldn't meet  
But David found a way to jump the line  
A back door in to a life divine, Death comes swiftly, for those who wait,  
But he's just like the rest of us, an impatient ingrate
