

Confessions (interlude)

Usher

Hello? Yo, I'm in the booth, I'ma call you right back
Nah, I just gotta put this one part down
I'ma call you back
I'm at the studio man, what?
Man, quit playin' with me, man
No, for real, don't play like that
Are you, are you serious?
How you know? Put that on everything
Damn, I'ma call you back
I'ma call you back
Every time I was in L.A.
I was with my ex-girlfriend
Every time you called I told you
Baby, I'm workin'
(No)
I was out doin' my dirt
(Oh)
Wasn't thinkin' 'bout you gettin' hurt
(I)
Was hand in hand in the Beverly Center like man
Not givin' a damn who sees me

So gone
(I know)
So wrong
(Just listen)
Thinkin' I got it
And left you sittin' at home
Thinkin' about me
Bein' a good girl that you are
But you prolly believe you got a good man
I mean, I would never do the things
I'mma 'bout to tell you I've done
Brace yourself, it ain't good
But it would be even worse
If you heard this from somebody else
(Oh, no)
I know you hate me
I know I hurt you

But there's more
