

Trapped

All Saints

One two, one two, she's trapped
Gonna need some help, what you think about that?
One two, one two, she's trapped
Gonna need some help, what you think about that?
One two, one two, she's what?
Gonna need some help, what you think about that?
One two, one two, she's trapped
Gonna need some help
She sits in her armchair, lookin' into space
Lookin', for a reason to find her life's place
Feelin' a little bit sad but not really all that bad
Searchin' for a dream, a dream that she's never had
She knows, she should get it
But it ain't that easy
Her life kinda full of it
But it's all to sleezy
She's goin' outta her mind
But she still can't hide, she can't leave her life
Trapped by your life
A life that's unavoidable
Just to get by
To make it more affordable
Trapped by your life
A life that's unavoidable
Just to get by
To make it more affordable
She can't afford that at, 'cuz the park it seemed packed
She can't afford that at, so what she gonna do now?
She looks in the mirror, her reflections someone old
Seein' days go by, she don't need to be told
Feelin' a little bit sad, she cries and packs her bags
Memory now a dream, a dream that she never had
Where will, she go?
But it ain't that easy
How long, till she comes home?
But It's all to sleazy
Maybe, she'll make it
Will she or maybe not?
Trapped by your life

That's unavoidable
Just to get by
To make it more affordable
Trapped by your life
That's unavoidable
Just to get by
To make it more affordable
Trapped, ahh, unavoidable, uh, uh, uh, uh, oh,
Trapped, ahh, unavoidable, uh, uh, uh, uh, oh,
Trapped, ahh, unavoidable, uh, uh, uh, uh, oh,
Trapped, ahh, unavoidable, uh, uh, uh, uh, oh,
Trapped by your life
Life is unavoidable
Just to get by
To make it more affordable
Trapped by your life
Life is unavoidable
Just to get by
To make it more affordable
Life is unavoidable
To make it more affordable
Life is unavoidable
To make it more affordable
Life is unavoidable
To make it more affordable
Life is unavoidable
To make it more affordable
Life is unavoidable
To make it more affordable
