

Pure Imagination

Glee Cast

Come with me, and you'll be
In a world of pure imagination

Take a look and you'll see
Into your imagination

We'll begin, with a spin
Traveling in a world of my creation

What we'll see will defy explanation

If you want to view paradise
Simply look around and view it
Anything you want to, do it
Want to change the world?
There's nothing to it

There is no life I know
To compare with pure imagination

Living there, you'll be free

If you truly wish to be

If you want to view paradise
Simply look around and view it
Anything you want to, do it
Want to change the world?
There's nothing to it

There is no life I know
To compare with pure imagination

Living there, you'll be free
If you truly

Wish to be
