

Killer M.C. (feat. Refugee Allstars)

Wyclef Jean

Wyclef:

Hello, boys and girls.

Welcome to wyclef words of wisdom.

I am here with an m.c. that

Everyone is scared of.

He has killed over a million

People on record and he's still

Not locked up.

Am, what is your name sir? Killer m.c.: nuhmsayin? am...

Wyclef: yeah. basically, if you have

Killed so many people why ain't

You locked up?

Killer m.c.: I'm sayin' though like,

Nuhmsayin?

Wyclef: yeah, exactly my point.

Don't believe the hype.
