Wonderland

Keyshia Cole

Heard you said that you just need a real woman
Baby here I come I hear you babe
Had some mishaps and a couple setbacks
Baby here I am I hear you babe
Open up your door I really need to come in
I need it all won't be no frontin'
I hear you call I'm bringing my lovin' yeah
Gotta have you in my life
Chorus:
I be losing my mind everytime
You take me to your wonderland
When I look into your eyes
I get lost in your wonderland
When your gone away
I'm dreaming about you baby
Got me losing my mind everytime
You take me to your wonderland
When you said that ooh I got that runback
You was talking good I see you baby
Who wouldv'e thought you was statin' true facts
Now you got me hooked
You did that babe

Open up your door cuz I really want to come in
I need it all won't be no frontin'
I hear you callin bringin the lovin'
Gotta have you in my life ooh
Chorus:
I be losing my mind everytime
You take me to wonderland
When I look into your eyes
I get lost in your wonderland
When your gone away
I'm dreaming about you baby
Got me losing my mind everytime
You take me to your wonderland
When I can't find the words cuz it feels to good
I say ooh baby (ooh baby)
When your love is too much and I don't want to rush

I say ooh ooh ooh baby (ooh ooh baby)
When I look into your eyes
And you take me for a ride
And you let me get inside of your heart
I just can't lie I say ooh oooh ooohh
Chorus: 1x
