Oh, Sweetheart

Shout Out Louds

I found out, I often disagree
And they say there is something wrong with me
I don't even listen to them anymoreA friend gave me something to believe
And that friend meant nothing more to me
I don't even listen to him anymoreOh, sweetheart, oh, sweetheartSomeone studies architectures
Someone works with fabric textures
And we don't even listen to them anymoreA friend gave me a call to say I was wrong
But that friend means nothing more now
And I don't even listen to him anymoreOh, sweetheart, oh, sweetheart
Oh, sweetheart and oh, sweetheart
Oh, sweetheart, oh, sweetheartWhatever you say, I take it back
Whatever I say, I didn't mean that
Whatever I say, I take it back
Whatever I say, I didn't mean that
No, no, no, no no no
No, no, no, no no noWe don't even listen to them anymoreOh, sweetheart, oh, sweetheart
Oh, sweetheart, oh, sweetheart
Oh, sweetheart, oh, sweetheartThey say, I don't listen no more
They say, I don't listen no more
Whatever I say, I take it back
Whatever I said, I didn't mean that
Whatever they say, I don't listen no more
