

# I Can See for Miles

## The Who

I know you've deceived me, now here's a surprise  
I know that you have 'cause there's magic in my eyes  
I can see for miles and miles and miles and miles and miles

Oh yeah  
If you think that I don't know about the little tricks you've played  
And never see you when deliberately you put things in my way

Well, here's a poke at you  
You're gonna choke on it too  
You're gonna lose that smile

Because all the while  
I can see for miles and miles  
I can see for miles and miles  
I can see for miles and miles and miles and miles and miles

Oh yeah  
You took advantage of my trust in you when I was so far away  
I saw you holding lots of other guys and now you've got the nerve to say  
That you still want me  
Well, that's as may be  
But you gotta stand trial

Because all the while  
I can see for miles and miles  
I can see for miles and miles  
I can see for miles and miles and miles and miles and miles

Oh yeah  
I know you've deceived me, now here's a surprise  
I know that you have 'cause there's magic in my eyes  
I can see for miles and miles and miles and miles and miles

Oh yeah  
The Eiffel Tower and the Taj Mahal are mine to see on clear days  
You thought that I would need a crystal ball to see right through the haze  
Well, here's a poke at you  
You're gonna choke on it too

You're gonna lose that smile

Because all the while

I can see for miles and miles

I can see for miles and miles

I can see for miles and miles and miles and miles and miles

And miles and miles and miles and miles

I can see for miles and miles

I can see for miles and miles

I can see for miles and miles

I can see for miles and miles
