

Goodnite

Melody Gardot

Goodnite

Close your eyes and just sleep tight

Lie awake and watch you dream

To be sure that all of your dreams are pureMy dear, don't you worry 'bout a thing

I'll be near to you all night

And through the evening

I'll be by your sideSo goodnite

Close your eyes and just sleep tight

I'll lie awake and watch you dream

To be sure that all of your dreams are pureWhile you slumber, in case you ever wonder

If a summer breeze just brushed your cheek

Know it's me
