

Two Minute Warning

Depeche Mode

We're lying by the orange sky
Two million miles across the land
And scattered to the highest high
Expect they'll either laugh or cry
No sex, no consequence, no sympathy
You're good enough to heat
Two minute warning, two minutes later
When time has come, my days are numbered
Two minute warning two minutes later
When time has come, my days are numbered
The dawning of another year
Marks time for those who understand
One in four still here
While you and I go hand in hand
No radio, no sound, no sin, no sanctuary
So welcome to your last
Two minute warning, two minutes later
When time has come, my days are numbered
Two minute warning
The sun, the solitude, the cemetery
So, welcome to your last
Two minute warning, two minutes later
When time has come, my days are numbered
Two minute warning, two minutes later
When time has come, my days are numbered
Two minute warning, two minutes later
When time has come, my days are numbered
