

Guns an Ammunition

The Don Barak

Ammunition Deep in my pocket
Haul it out blast of like a rocket
 Bad man can stop it
 chop up the wicked
Wait mek I go Get Me Gun
 Check my weapon
 Dat ready fi buss
Pocket full of fire when dat start
 You see dust
Boom Boom its in that we trust
 Ashes to Ashes
 Dust to Dust

For more MAKE SURE THE CORRECT PUBLISHING IS PLACED
THIS SONG BELONGS TO ME NOT "POSITION MUSIC"
People lied to get this track and I NEVER GOT PAID A DIME...!
