It's a Shokka

Diamond Nights

Fire in the atmosphere
The clouds are forming fast
Bursts of lightning split the sky
The end has come at last

Now the ground begins to quake
The earth cracks open wide
Electricity come alive!

Shokka!
Two live wires
Shokka!

Double electrical death
Two live wires
Sha-na-na-na Sum-una
Ooh It's a shokka-nana

Shokka!
Two live wires
Shokka!

Double electrical death
Two live wires
Sha-na-na-na Sum-una
Ooh It's a shokka-nana

Heaven sends a thunderbolt
That crackles on my skin
Blue electric sparks ignite
Blown by the howling wind

Clouds erupt
The sky explodes
The ground cracks open wide

Electricity come alive!

Shokka!
Two live wires

Shokka!

Double electrical death
Two live wires
Sha-na-na-na Sum-una
Ooh It's a shokka-nana

Shokka!
Two live wires
Shokka!

Double electrical death
Two live wires
Sha-na-na-na Sum-una
Ooh It's a shokk-anana
