

# It's a Shokka

## Diamond Nights

Fire in the atmosphere  
The clouds are forming fast  
Bursts of lightning split the sky  
The end has come at last

Now the ground begins to quake  
The earth cracks open wide  
Electricity come alive!

Shokka!  
Two live wires  
Shokka!

Double electrical death  
Two live wires  
Sha-na-na-na Sum-una  
Ooh It's a shokka-nana

Shokka!  
Two live wires  
Shokka!

Double electrical death  
Two live wires  
Sha-na-na-na Sum-una  
Ooh It's a shokka-nana

Heaven sends a thunderbolt  
That crackles on my skin  
Blue electric sparks ignite  
Blown by the howling wind

Clouds erupt  
The sky explodes  
The ground cracks open wide

Electricity come alive!

Shokka!  
Two live wires

Shokka!

Double electrical death  
Two live wires  
Sha-na-na-na Sum-una  
Ooh It's a shokka-nana

Shokka!

Two live wires  
Shokka!

Double electrical death  
Two live wires  
Sha-na-na-na Sum-una  
Ooh It's a shokk-anana
