

# Ghetto Superman

Lyfe Jennings

Ha, ha, I'm fine y'all  
It's your boy Ghetto Superman  
A.k.a Lyfe, a.k.a don't got a wife  
What up Young Boy?  
Everybody talkin' about livin' on Capital Hill  
We livin' on the hill, ya know?  
Talkin' about the front row, front row?  
We livin' on death row  
We grew up in the gutter  
Eatin' peanut butter sandwiches with no jam  
We looked up to the hustlers on the corner  
Throat sore from screamin', "Get your money man"  
Had dreams of movin' on up to the big leagues  
Like George, Weezy and Florence  
But it's kinda hard when police is havin' you killed  
Resurrected, rearrested for old bench warrants  
Yeah, it's a struggle man, but we handle it the best we can  
Only difference between folks that's free and folks in jail  
Is some of us got caught on our way to Heaven  
Takin' the shortcut through Hell  
Ghetto Superman, faster than a speeding Cadillac  
Able to leap tall buildings  
When police is on your back, yeah  
It's a bird, it's a plane, no  
It's Ghetto Superman, talk slick as Republicans  
Sold almost as much dope as Uncle Sam  
Your friendly neighborhood Superman

If you played on my playground  
You'd be used to hearin', "Stay down, they shootin'"  
Lost my daddy in a shoot out, chest all blew out  
Another family ruined  
Had dreams of findin' a good job  
So he wouldn't have to rob niggas, I'm a stick up kid  
Finally get what we deserved  
Instead of havin' to take what they give us  
Yeah, it's a struggle man but we takin' it  
One bullet at a time  
But it's kinda hard to get that monkey off your back

While that monkey still on your mind, on your mind  
Superman, faster than a speeding Cadillac  
Able to leap tall buildings  
When police is on your back, yeah  
It's a bird, it's a plane, no  
It's Ghetto Superman, talk slick as Republicans  
Sold almost as much dope as Uncle Sam  
Your friendly neighborhood Superman  
It's a bird, it's a plane, no  
It's Ghetto Superman, y'all  
It's a bird, it's a plane, no  
It's Ghetto Superman, y'all  
It's a bird, it's a plane, no  
It's Ghetto Superman, y'all  
It's a bird, it's a plane, no  
It's Ghetto Superman, y'all
