It's a Shame

First Aid Kit

Lately I've been thinking about the past
How there is no holding back
No point in wasting sorrow
On things that won't be here tomorrowBut you and I well we don't need to speak
It's the secret that we keep
Out of view and out of sight
Just say when and we'll say goodnightTell me it's okay
To live life this way
Sometimes I want you to stay
I know it's a shame
Shame
Shame
Now I have spent so much of my time
Going out of my mind
Trying so hard to be of use
But what you cannot gain you loseIn LA, the sun's almost too bright
I cannot get it right
The emptiness I feel
And now none of it seems realSo maybe it's alright
If I just spend the night
Sometimes I just can't bear to walk away
I know it's a shame
Shame
ShameWho have I become
Who will I be
Come tomorrow
Tell me it's okay
If I ask you to stay
Sometimes the night cuts through me like a knife
I know it's a shame
I know it's a shame
I know it's a shame
Shame
Shame
Shame
