Off the Hook

Hudson Taylor

Are you taking me for a ride?
If so, I won't be by your side
Maybe once I looked up to you
Thought I loved you but
Now it's time to confessTake one, you gotta take us all
Try to break us, we won't fall
Can't believe I looked up to you
Thought I loved you but
Now it's time to confessWhat were you thinking
You'd get off the hook with no pain?
You won't defeat us so treat us
Like children againTrue blood is wearing thin
We all know what hides within
Told you once, no means never
And that's forever
You don't have our respectTake one, you gotta take us all
Try to break us, we won't fall
Can't you tell no means never
That's forever and no, you can't buy respectWhat were you thinking
You'd get off the hook with no pain?
You won't defeat us so treat us
Like children againThe truth is our!
(What were you thinking you'd get off the hook)
Oh, shout it out!
(What were you thinking you'd get off the hook)
Oh, the truth is out, the jury's in
You should notice by now, don't you know what she means to me?What were you thinking
You'd get off the hook with no pain?
You won't defeat us so treat us
Like children again
The truth is out!
Shout it out!
Oh, the truth is out
Oh, oh oh oh oh
Shout it out!
