

# It's Always Gonna Rain

Jack Ingram

- Jack Ingram & Lori McKennaSun has been shining'

For I don't know how long  
Creek beds are empty  
And the cotton's long gone  
For folks around here  
Hope's the last thing to go  
Even the wildflowers find  
Some way to grow  
Find some way to grow

Chorus:

Just when you're down on your knees  
Wonder is god listening  
Say all your prayers  
And lie down to sleep  
Just like a dream

It's always gonna rain  
It's always gonna rainMy dad and his dad  
His dad before

Used to stare at the stars  
From just off the back porch  
Momma was inside  
But she never would cry  
I'd hear her whisper  
Don't give up on the sky  
Don't give up on the sky

Chorus: It's always gonna rain x4

Lead: Your eyes are closin'  
Got your windows open  
Before you know it  
Wind starts blowin'  
Not done hopin'

It's gonna take away your pain  
Rain, it's always gonna  
Always gonna rain  
It's always gonna rainLead:

Chorus:

This ain't no dream, its rain
