

# Phase

## DJ Def Cut

I'll be your biggest fan, I will be your fool  
I'll be your exception to every ruleAnd I ain't the type to bitch  
I ain't the type to cry  
I'll sit at your red light  
And wait for your ship to go byAnd this vague little smile  
Is my all-purpose expression  
The meaning of which  
I will leave to your discretionYeah, my distraction is my defense  
Against this lack of inspiration  
Against this slowly deflation  
Yeah, the further the horizonYou know the more it warps my gaze  
The foreground's out of focus  
But you know I kinda hope it's  
Just a phase, just a phaseJust a phase, just a phase  
Just a phase, just a phase  
Just a phaseI've been through and through this, I know just how it goes  
You'll have no idea, you'll have no need to know  
I will make your body grow wings and take flight  
I will erase sound, I will erase lightI said this vague little smile  
Is my all-purpose expression  
The meaning of which  
I will leave to your discretionYes my distraction is my defense  
Against this lack of inspiration  
Against this slowly deflation  
Yeah, the further the horizonThe more it warps my gaze  
And the foreground's out of focus  
But you know I kinda hope it's  
Just a phase, just a phaseJust a phase, just a phase  
Just a phase, just a phase  
Just a phase
