Keep up.[Third Verse]
Use to write raps with my homies
back in 7th grade, shouts to lord and comy
now i rep my pen and niggas fall like oragami
hopin'it don't turn a raise,
the Lord got me
If i don't make it off of this shit,
atleast i got a trade that pops taught me
least got some skills the treats taught me
streets talking got'em screamin over haters talking,
haters want me,
can't catch me i got hollows for'em
now post up in your form
that boy valid, i ain't going
Man i need to get to touring
before i end up in a courtroom
the police watching niggas clocking
get me in a ??? room ???Explore new
Might get lucky like its a horse shoe
Me and ideas with no ambition you a damn fool
The "Mind or Mound",
Is like the biggest "tool or tour" and i got
army guns nigga.
come to school.
ey one more..[Last Verse]
Use to rock that
