

# Dreamy Summer

## Moonface

Dreamy summer got no where to be  
I heard someone say we are not believersI've been living in the sleeves of the shirt you made meDreamy  
summer got no where to be  
I heard someone say we are not believers  
But we were busy turning everything into goldDreamy summer got no where to be  
I heard someone say we are not believersThey were debating the existence of an all seeing deityDo you  
remember that elevator  
The way we got just what we were after  
As if we had turned the water into wine  
Dreamy summer got no where to be  
There's no reason I should feel like dieing  
But you're the reason I'm here and alive either way
