

All I Wanna Do

T. Mills

Bad girls in the lobby
Let's bring em up.
If you're a friend of a friend of a friend
That's good enough
'Cause I like naughty girls and party girls,
If u came here to drink don't worry girl,
Enough drink in the minibar
Let's fill these cups (yeah)
Green light go pour one more
Champagne shower on the hotel floor
Take it all off, you don't need no clothes
Bring it up high baby drop it down low And we go oh oh oh oh
I can't believe this ain't illegal
I just know oh oh oh
It's gonna be on hell of a weekend baby All I wanna do, is just have a good time
Just have a good time
Yeah baby
All I wanna do, is just have a good time
Just have a good time
We gonna party and do this with you and all your friends
Then pass out and wake up and do it all again (yeah baby)
All I wanna do, is just have a good time
Just have a good time (yeah baby) No clothes in the swimming pool
That's fine with me (huh , yeah)
A pretty face and a birthday suit
That's all you need (huh)
I make all the day my holidays
If you came here to judge don't bother me
'Cause I'm about to get dumb right now
Just wait and see (yeah)
Feelin alright, damn good night
Go and watch me have a damn good time
No room key let them all inside
Everything free for the girls gone wild And we go oh oh oh oh
I can't believe this ain't illegal
I just know oh oh oh
It's gonna be on hell of a weekend baby All I wanna do, is just have a good time
Just have a good time
Yeah baby

All I wanna do, is just have a good time
Just have a good time
We gonna party and do this with you and all your friends
Then pass out and wake up and do it all again (yeah baby)
All I wanna do, is just have a good time
Just have a good time (yeah baby) One time for the good times yeah
One time for the good times and
Two times for the bad girls and
Three floors full of people just
Forget your troubles (drink)
Five more them doubles it's
6am still goin, you know it (yeah baby) All I wanna do, is just have a good time
Just have a good time
Yeah baby
All I wanna do, is just have a good time
Just have a good time
We gonna party and do this with you and all your friends
Then pass out and wake up and do it all again (yeah baby)
All I wanna do is just have a good time
Just have a good time
