

The Way You Love Me

Faith Hill

If I could grant you one wish
I'd wish you could see the way you kiss
Ooh I love watching you, baby
When you're driving me, ooh crazy Ooh I love the way you
Love the way you love me
There's nowhere else I'd rather be Ooh to feel the way I
Feel with your arms around me
I only wish that you could see
The way you love me, the way you love me It's not right, it's not fair
What you're missing over there
Someday I'll find a way, to show you
Just how lucky I am to know you Ooh I love the way you
Love the way you love me
There's nowhere else I'd rather be Ooh to feel the way I
Feel with your arms around me
I only wish that you could see
The way you love me, the way you love me You're the million reasons why
There's love reflecting in my eyes Ooh I love the way you
Love the way you love me
There's nowhere else I'd rather be Ooh to feel the way I
Feel with your arms around me
I only wish that you could see
The way you love me, the way you love me
The way you love me, the way you love me The way you love me
The way you love me
Oh yeah
