Peace of What (feat. Jordan Brown)

RJD2

You don't want it
You can want it now
You don't mean it
You can't mean it
(Peace)
We can have it
In a world where the shots and the tears come like water
(Peace)
We are the world where the pain and the fear run like water
This freedom comes for you and I
While you read the news by the candle light
Round and round the lord knows
In the land of duck and cover
