

Ella (with Mike Coykenddl)

M. Ward

For you I have travelled far and wide
For to hear your lullabye
Hey rock-a-bye And if you can't keep an eye on
At least just leave a light on for me And I chose a star to be my guide
Chose the moon to be my bride (and never die) And if you can't keep an eye on
At least just leave a light on for me We are tireless fighters
But we cannot make it on our own
We are bareback riders
We are lost on our way back home And if you can't keep an eye on
At least just leave a light on for me
