

Words Are Like

They Might Be Giants

Words are like
The middle class
A drinking glass, a mask
Words are like
A Spanish town
A wedding gown, a crown
Words are like
A happy dream
A racing team
A wooden beam, a seam
Words are like
A rusty nail
A minor scale, a snail
Words are like
A postcard stamp
A highway ramp, a cramp
Words are like
Kaleidoscopes
The taste of soap
A Billy goat, a coat
Words are like
A teenage star
A prison guard
A faded scar, a car
