Break a Guitar

Ty Segall

Baby gonna break a guitar
Gonna make it a real big star
Baby gonna break a guitar
Gonna make it a real big starOh, looks like it's gonna rain
It's gonna rain, it's gonna rainOh, baby, take a guitar
I want you to be a big star
Oh, baby, take a guitar
I want you to be a big starOh, I was made in the, made in the rain
I was made in the, made in the rain
I was made in the, made in the rainCome on, take it
Take my guitar
I'll be, I'll be at the barI was made in the, made in the rain
Oh, I was made in the, made in the rain
I was made in the, made in the rain
I was made in the, made in the rain
