Puppet

Warmen

PuppetYou give a kid some candy
He will always ask for more
You give a man some power
And off he goes to war
So many strings tightly attached
He seems like he is lost
He makes a fine new decision
Whatever be the costI see images that cull
Up on our deepest fears
Just when all seems well
The puppet appearsTake me to silence
I don't want to hear
Bring me to blindness
I don't need to see
