

# Fire and Smoke

Earl Thomas Conley

In and out of honky tonks from one town to the next  
But anything worth loving, Lord, just too hard to forget  
    Everyday's another way of feeling more the same  
Looks like I'll run out of highway before I out run the rainBut if there's fire and smoke  
    Ooh, what a rush I got when your love was hot  
    Oh, but I couldn't see that when the flame burned out  
You'd leave a cold dark cloud, a raining down on meSo I'm reaching out to someone wishing, she was you  
    instead  
    And everything I left behind was waiting up ahead  
    Pulling on the bottom baby, looking back on you  
'Cause anyways the right way babe as long as I pull throughIf there's fire and smoke  
    Ooh, what a rush I got when your love was hot  
    Oh, but I couldn't see that when the flame burned out  
    You'd leave a cold dark cloud, a raining down on me
