On a Sunny Day

Buck-O-Nine

On a sunny day
I can see forever
On a sunny day
I used to dream for milesUpon this hill, where we met
Under blue skies
But she said goodbye, left me behind
And now here I amI should've won a Purple Heart
I would've got it overseas
I asked her would she be my bride
In my broken JapaneseBut when I looked into her eyes
I knew that it could never be
Well, she said goodbye, left me behind
And now here I amI should've seen it from the start
Before I went on bended knee
Her tattoo of a headless snake
Is that what she's supposed to be?But if I had another chance
I wouldn't act so foolishly
Well, she said goodbye, left me behind
And now here I amOn a sunny day
I can see forever
On a sunny day
I can dream for milesUpon this hill, where we met
Under blue skies
But she said goodbye, left me behind
And now here I amOn a sunny day
I can see forever
On a sunny day
I used to dream for milesUpon this hill, where we met
Under blue skies
But she said goodbye, left me behind
And now here I am
