Got to let dem know dat.Beres: Talking about you..
Might as well I tell you about the thoughts that I've been hiding,

Don't be offended if I tell you you're a helluva kind a woman
and you do something special to my heart.
I see you as a queen and a lady, no ifs, no buts, no maybe.
The only thing sweeter than my honeycomb.
Keep up as the same queen and lady,
keep it standing steady, the only thing sweeter than my honeycomb.Buju: Watch yah,
