

# These Are the Lies

## The Cab

La-la-la-la-lies

La-la-la-la-lies

La-la-la-la-lies

La-la-la-la-lies I don't love you, I don't need you.

I don't ever want to see you again.

'cause girl, I moved on and things are perfect.

I'm okay with us just being friends.'cause I don't think about you every single night; I'll be fine without you.

Can sleep tight when I'm not beside you; I'm moving on.

No, I don't cry about you; never seen tears in my eyes about you.

Gonna be fine if I die without you; Baby, I'm gone. These are the lies that I tell myself at night.

These are the lies that are keeping me alive.

These are the lies.

(La-la-la-la-lies. La-la-la-la-lies. La-la-la-la-lies lies.)

These are the lies.

(La-la-la-la-lies. La-la-la-la-lies. La-la-la-la-lies lies.) I've got a new girl and she's my whole world,

And I don't care if you're not sleeping alone.

'cause life is so good; I'm doing so good.

Don't spend hours sitting here by the phone.'cause I don't think about you every single night; I'll be fine without you.

Can sleep tight when I'm not beside you; I'm moving on.

No, I don't cry about you; never seen tears in my eyes about you.

Gonna be fine if I die without you; Baby, I'm gone. These are the lies that I tell myself at night.

These are the lies that are keeping me alive.

These are the lies.

(La-la-la-la-lies. La-la-la-la-lies. La-la-la-la-lies lies.)

These are the lies.

(La-la-la-la-lies. La-la-la-la-lies. La-la-la-la-lies lies.) These are the lies. [x10] 'cause the truth is, I'm about to lose it.

Don't think I can do this if I'm not with you.

'cause the truth is, I'm about to lose it.

Don't think I can do this if I'm not with you.

'cause the truth is, I'm about to lose it.

Don't think I can do this if I'm not with you.

'cause the truth is, I'm about to lose it.

Don't think I can do this if I'm not with you. These are the lies that I tell myself at night.

These are the lies that are keeping me alive.

These are the lies.

These are the lies that I tell myself at night.

These are the lies that are keeping me alive.

These are the lies.  
(La-la-la-la-lies. La-la-la-la-lies. La-la-la-la-lies lies.)  
These are the lies.  
(La-la-la-la-lies. La-la-la-la-lies. La-la-la-la-lies lies.)
