Its Just A Matter of Time (Country Single Mix)

Randy Travis

Someday, someway you'll realize that you've been blind
Yes darling, you're going to need me again
Its just a matter of time
Go on, go on til you reach the end of the line
Cause I know you'll pass my way again
Its just a matter of time
After I gave you everything I hadYou laughed and you called me a clown
Remember in your search for fortune and fame
What goes up must come down
I know, I know that one day you'll wake up and find
That my love is a true love
Its just a matter of timeWords are spoken with chords played
Someday and someway
Girl you'll realize that you've been blind
Yes darling, I know you gonna need me again
Its just a matter of timeContinue singing here
After I gave you everything I had
You laughed and you called me a clown
But remember in your search for fortune and fame
What goes up must come down
I know, I know that one day you'll wake up and find
