

# Neverending

Francesca Sortino

Neverending always, You will never end  
Because You're always neverending  
You were there before there was beginning  
Always You were, You are neverending Here You are now with us  
Here we are, found in You And this makes all the difference  
This changes everything  
Making our whole existence  
Worth something, so we sing La la la la  
La la la la LaNeverending always, You will never end  
Because You're always neverending  
You were there before there was beginning  
Always You were, You are neverending Here You are now with us  
Here we are, found in You And this makes all the difference  
This changes everything  
Making our whole existence  
Worth something, so we sing Oh You make all the difference  
Yeah, You change everything  
You make our whole existence  
Worth something, so we sing La la la la  
La la la la  
La la la la  
La la la la LaLa la la la  
La la la la  
La la la la  
La la la la LaLa la la la  
La la la la la
