It's Goin' Down 2nite

112

It's goin' down 2nite
It's goin' down 2nite
It's goin' down 2nite
[Incomprehensible]Baby, I love the way
You're lookin' at me, lookin' at me
You're so amazin', you gotta
Give it to me, give it to me
You touch, every single part of me
I'll touch, every single part of you
I wanna make sure that you're
Gonna wanna come back for more
Baby, I can tell, you're
Feelin' me, feelin' me
Your body's callin'
What's your fantasy, fantasy?
You touch, every single part of me
I'll touch, every single part of you
Hey girl, stop playin' games
And meet me at the door
Do you wanna get down?
Do you wanna get down tonight?
You can bring your own girl if you like
Don't be scared girl, I won't bite
'Cause I'm gonna bring it out of you
All the freaky things inside of you
It's goin' down 2nite
I said it's goin' down 2nite
Yes, yes, it's goin' down 2nite
Girl when we meet
You're a regular girl, regular girl
Takin' you to places, you've never
Been before, been before
I'll do, freaky things you like
You'll do, freaky things I like
I'm gonna make sure that you're
Gonna wanna come back for more
Let's try to keep this, between
Me and you, me and you
No need to tell, unless were

Coming to, coming to
We'll do, freaky things tonight
We'll do, freaky things I like
So girl stop playin' games
And meet me at the door
Oh baby, baby
Do you wanna get down tonight?
You can bring your own girl if you like
Don't be scared girl, I won't bite
'Cause I'm gonna bring it out of you
All the freaky things inside of you
It's goin' down 2nite
I said it's goin' down 2nite
Yes, yes, it's goin' down 2nite
Hey yo, shakin' that body like it's, Jell-o
Shorty 'bout to make the Twelve lose control
We all up in the club like, ayo
Workin' like a stripper like, oh woo oh
Come and take a sip of that, oh woo oh
She's all over me like, oh woo oh
In the V.I.P I'm like do it baby
Shake it baby, drop it baby, shake it baby
Peel to the T in the V.I.P
Everybody drinkin' in the bar on me
I spot a group of ladies with they eyes on me
And I ain't gotta pick one, I can have all three
Like, what's happenin' ladies, I was seein' you choosin'?
Can?t help but thinkin' of you three in the noonin'
Let?s skip the game, cut that out of confusion
I'm tired of talkin' over all this loud music
Now, let?s go somewhere where we all can lose it
Listened to my offer and they couldn?t refuse it
Got in the two do, started cruisin'
We blew dro and they started removin'
They wardrobe, they topless now
About two of those is poppin' now
Touch here, kiss there, no stoppin' now
She licked there and got her underwear broughten down
Oh baby, do you wanna get down tonight?
You can bring your own girl if you like
Don't be scared girl, I won't bite
'Cause I'm gonna bring it out of you
All the freaky things inside of you
It's goin' down 2nite
I said it's goin' down 2nite

Yes, yes, it's goin' down 2nite
Do you wanna get down tonight?
You can bring your own girl if you like
Don't be scared girl, I won't bite
'Cause I'm gonna bring it out of you
All the freaky things inside of you
It's goin' down 2nite
I said it's goin' down 2nite
Yes, yes, it's goin' down 2nite
It's goin' down 2nite
It's goin' down 2nite
It's goin' down 2nite
It's goin' down 2nite
[Incomprehensible]Goin' down 2nite
It's goin' down 2nite
Goin' down
