Pressure (feat. Rio Da Yung Og)

FWC Big Key

Yeah itâ€™s rio nigga
Whatâ€™s up key cash gang shit nigga letâ€™s tell em something
I got a pint of red in the foe letâ€™s drink 20 lines
Whipped the strap out onna nigga shot him 20 times
Iâ€™ll black out onna nigga beat him til he die
Iâ€™m hallucinating I only see that bitch when Iâ€™m high
If itâ€™s a problem with the opps nigga we gon slide
If cash gang pop him first me and key gon fight
Just let me pop the nigga first to make sure he gon die then yâ€™all can shoot his body twice or three more times
Rio you my nigga you can pop him just cause yâ€™all caught him
I just did a nigga dirtier than yâ€™all water
