

Misunderstood

Bon Jovi

Should I?
Could I?
Have said the wrong things right a thousand times
If I could just rewind, I see it in my mind
If I could turn back time, you'd still be mine You cried, I died
I should have shut my mouth, things headed south in
As the words slipped off my tongue, they sounded dumb
If this old heart could talk, it'd say you're the one
I'm wastin' time when I think about it I
Should have drove all night, I would have run all the lights
I was misunderstood
I
Stumbled like my words, did the best I could
Damn
Misunderstood Could I?
Should I?
Apologize for sleepin' on the couch that night
Stayin' out too late with all of my friends
You found me passed out in the yard again You cried, I tried
To stretch the truth but didn't lie
It's not so bad
When you think about it I
Should have drove all night, I would have run all the lights
I was misunderstood
I
Stumbled like my words, did the best I could
Damn
Misunderstood
Intentions good It's you and I
Just think about it I
Should have drove all night, would have run all the lights
I was misunderstood
I
Stumbled like my words, did the best I could
I
Hangin' outside your door
I've been here before
Misunderstood I
Stumbled like my words, did the best I could

Damn
Misunderstood
Intentions good
