

# Ti Amo (Bayside Boys Club Mix)

Gina G.

I remember when I saw your face  
You caught me smiling, I had to look away  
And I could not resist the promise of your kiss  
Now dream is all I do, of paradise and you I wanna be where the sun is shining  
Amore mio  
I wanna have you there beside me  
Amore mio  
Now those lazy summer days  
They seem so far away  
Wherever you may go  
Ti amo I remember sunsets on fire  
Nights of endless passion  
Burning with desire  
I close my eyes and I can see your smile  
Sky is clear, the ocean blue  
I'm in paradise with you I wanna be where the sun is shining  
Amore mio  
I wanna have you there beside me  
Amore mio  
Now those lazy summer days  
They seem so far away  
Wherever you may go  
Ti amo Take me back to where the magic is  
Let me hold you in my arms  
Under the stars  
Rainy days and lonely nights  
Only darkness there's no light  
Without you in my life Ti amo I wanna be where the sun is shining  
Amore mio  
I wanna have you there beside me  
Amore mio  
Now those lazy summer days  
They seem so far away  
Wherever you may go  
Ti amo
