

Date With The Night (Skins The Soundtrack)

Yeah Yeah Yeahs

I got a date with the night
Burnin' down my finger
Gonna catch the kids dry
Gonna walk on water
Buyin' out the fight
We're sweatin' in the winter

Gonna catch ya squeeze tightChow chow chow chow chow chow chow chow chow...Don't tell me to fix
her

Don't tell me to fix her
Just take a bite
No hangin' no picture
Flyin' out my sight
Droppin' brides at the altar

Gonna find ya squeeze tightChow chow chow chow chow chow chow chow chow...I'll set you I'll set it
off

I'll set you I'll set it off
I'll set you I'll set it offI'll set you I'll set it off
I'll set you I'll set it off
I'll set you I'll set it off

I'll set you I'll set it off offBuyin' out the fight
Gonna walk on water
Gonna catch the kids dry
Gonna bend my finger
Flyin' out my sight
We're sweatin' in the winter
Gonna grab squeeze tight
Gonna grab squeeze tight
