

# Aiight (feat. Project Pat)

## Iamsu!

It's that heartbreak, that smart break that copa  
Drinkin hard liquor, drinkin dark, VSOP straight  
And they love it when we pull up me and all my gang  
I got hoes tell the homies send the address where we stay

It's that heartbreak, that smart break that cvopa  
Drinkin hard liquor, drinkin dark, VSOP straight  
And they love it when we pull up me and all my gang  
I got hoes tell the homies send the address where we stay

It's that heartbreak, that smart break that cvopa  
Drinkin hard liquor, drinkin dark, VSOP straight  
And they love it when we pull up me and all my gang  
I got hoes tell the homies send the address where we stay

It's that heartbreak, that smart break that cvopa  
Drinkin hard liquor, drinkin dark, VSOP straight  
And they love it when we pull up me and all my gang  
I got hoes tell the homies send the address where we stay
