True Love Waits (Live In Oslo)

Radiohead

I'll drown my beliefs
To have you be in peace
I'll dress like your niece
And wash your swollen feetJust don't leave
Don't leaveI'm not living
I'm just killing time
Your tiny hands
Your crazy-kitten smileJust don't leave
Don't leaveAnd true love waits
In haunted attics
And true love lives
On lollipops and crispsJust don't leave
Don't leave
Don't leave
Don't leave
