

# Bakuro Book (feat. ã•Šã•ã•¼ã•‘ãf“~ãf•~)

## Otoboke Beaver

when you go down to hell  
the œbakuro book• knows it all  
rumour stories are revenge porn  
oh no! oh no!  
the connections are laid bare  
maybe maybe maybe maybe  
mind of a sneak thief ? œ“ bakuro book

account-book of love œ“ account-book of love,  
bring your life to the grave œ“ bakuro book

write in the bakuro book  
- Even though you didnœ™t think about it even a bit  
you just blurted out that you loved me anyway œ“ how many times was it?  
count them precisely - bakuro book

write in the bakuro book  
- you threatened me with saying itœ™s the last time then, but  
of course, thatœ™s your method of domination  
Iœ™m your subordinate, I know that butœ“ bakuro book

in love for eternity œ“ screwing up for ages  
going past the point of ignition œ“ thatœ™s against the rules  
in love for eternity œ“ dragged along for ages  
past the point of ignition œ“ thatœ™s against good manners

in love for eternity œ“ screwing up for ages  
going past the point of ignition œ“ thatœ™s against the rules  
NOooo!

breaking the rules œ“ quickly exposing  
breaking manners - exposing confessions  
breaking the rules œ“ Part2 œ“ roger!

write in the bakuro book  
- Even though you didnœ™t think about it even a bit  
all the nights you stared and said you loved me  
count them on your fingers œ“ bakuro book

write in the bakuro book !

- isnâ€™t it just getting tit-for-tat?  
overcoming the carnage  
thatâ€™s the ending  
someday youâ€™ll get stung
