

# Young Lord

**Andrew W.K.**

Young, so far  
Fine form  
And your force  
Is gold Youth so rolled  
The boy  
And your form  
A lucky guy With thousand town  
With thou's own town  
Wisconsin Beach I'm talking, no  
And if I'll face above  
I'll call back honest of  
And just let Pete be free
