

# Everybody Knows

## Grace Slick & The Great Society

When you came to me you spoke softly  
And told the Truth  
When you came to me you were Good  
But now your love is Gone  
Even though You still Pretend It's Strong!  
When you came to me spoke softly  
When you came to me you were only  
My Lifetime Cream!  
If the words inside were obscene  
Dude you sang my song!  
Didn't know that the words were wrong!  
When you Came To me you spoke softly  
If You Should ever Leave My heart would break  
If you should ever leave I'd Be Sad!  
Everybody knows that you been foolin'  
With somebody!  
Everybody Knows that you been Bad!  
Everybody Knows that you been Bad  
The lies that you told  
Have evidently never sold  
Everybody Knows That You been fooling  
With Somebody!  
Everybody Knows That You Been Bad!  
The Sand Over My Shoes  
Has Been Blowing since before the Blues!  
Everybody knows that you been Bad!
