Let's do that, c'mon it's very controversial
A lots been goin' on, ha, ha
There's been a lot of crazinessDid you break up at the concert?
C'mon, it's a question of lip syncing
What you talking about?
Lip syncing?Oh man
What?
Ha, ha, ha
You know we're better than that
Ha, haWhat's it all about
What is it all about?
What are we in it for?
Good question
What are you in for?Love?
You tell me
Uh

SuckersHey yo Don
What's up and goin on?
Alright, alrightLet's talk about the future
What does it mean?
What does the future hold?
Hey, your guess is as good as mineNo strings attached
Maybe we'll find out sometime
Maybe we already know
MmWho knows?
But anyway it's all about moving on
And striving and growing up
And learning keep keepin' on, yeahGod bless 'cos you see, uh
The worlds a lot bigger than you and me
