

This Christmas

Jessie James Decker

CHORUS:

Baby! It's Christmas, Yeah!

Baby! It's Christmas, Yeah!

It's pumpkin pie, it's christian outside

Family cheer, so happy you're here

Cause it's Christmas, Yeah!

Baby! It's Christmas. Yeah! Yeah! Yeah! In our cozy sweaters, singing songs by the fire

Hear the slay bells ringing and sipping on apple cider

Presents under the tree, stealing kisses from me

Cause it's Christmas, yeah! CHORUS:

Cause it's Christmas, yeah!

Baby! It's Christmas, Yeah!

It's pumpkin pie, it's christian outside

Family cheer, so happy you're here

Cause it's Christmas, Yeah! Mmmm, kiss me under the mistletoe

I'll be your angel laying in the snow

Kiss me under the mistletoe

I'll be your angel laying in the snow CHORUS:

Oh-yeah!

Baby! It's Christmas, Yeah!

Baby! It's Christmas, Yeah!

It's pumpkin pie, it's christian outside

Family cheer, so happy you're here

Baby! It's Christmas!

Baby! It's Christmas!

Oh-oo

Baby! It's Christmas!

Oh-yeah

Uhuuuu

Baby, baby! It's Christmas!
