

Language of Love

Culture Beat

Text: Hauss, Hoinkis, Panarinfo, Zweier, Kim Sanders, N'XT UP

Music: Hauss, Hoinkis, Panarinfo, Zweier

sippin' wine as we dine by candlelight

Mary J. serenades the mood right

a moonlight night wit' my cutie pie

no two more compatible than you -n I

gettin' intimate in the way we stare

catchin' feelings from the atmosphere

relationship delicate as silk

sex appeal mad real you know the deal

Chorus:

believe me you're in command

you keep the secret in your hands

you never fail to understand

the language of love

is it right or is it wrong

that words could never be this strong

we have known it all the long

the language of love

an eternal flame baby I can't deny the

attraction I'm yearning to taste your desire

licking you up -n- down in the heat of passion

never slackin' for a second forever it's lastin'

I'm blastin' off into another dimension

your body quivers from the force I'm deliverin'

I'm givin' total commitment when we kick

back relax and enjoy my presence

Chorus
